The Board of Directors of the Jewish Renaissance Medical Center (JRMC) is pleased to invite you to JRMC's 1st Annual Gala. The JRMC is the nation's first faith-based, federally qualified health center. Health care is provided at the brand new 48,000 square foot Robert Menendez Medical Arts Building in Perth Amboy. To date, JRMC has provided health care for more than 100,000 medically underserved children, families and individuals. By participating in this year's gala you help JRMC continue vital health care services to those in need.

JRMC eliminates the racial and economic disparities among people receiving medical services. The JRMC staff proudly serves all who need medical assistance regardless of their circumstances or backgrounds. This is a great source of pride for the JRMC staff. Your participation in our gala is vital to maintaining and growing JRMC's services to the people of Perth Amboy and the surrounding communities.

During this inaugural gala, JRMC is proud and delighted to honor Lawrence B. Altman; a member of the JRMC family who strongly supports the JRMC mission.
